

Riax Foam

(benzoyl peroxide 5.5%)

Drug Facts

Active ingredient

Benzoyl peroxide 5.5% Acne treatment

Purpose

Use For the treatment of acne

Warnings

For external use only

Do not use if you ■ have very sensitive skin ■ are sensitive to benzoyl peroxide

When using this product ■ skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time ■ avoid unnecessary sun exposure and use a sunscreen ■ avoid contact with the eyes, lips, and mouth ■ avoid contact with hair and dyed fabrics, which may be bleached by this product ■ skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration ■ do not puncture or incinerate; contents under pressure

Stop use and ask a doctor if irritation becomes severe.

KEEP THIS AND ALL DRUGS OUT OF THE REACH OF CHILDREN.

If swallowed, get medical help or contact a Poison Control Center immediately.

Directions

■ clean the skin thoroughly before applying this product ■ cover the entire affected area with a thin layer and rinse thoroughly one to three times daily ■ because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor ■ if bothersome dryness or peeling occurs, reduce application to once a day or every other day ■ if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of product and ask a doctor.

Other information

Store at 20°C to 25°C (68°F to 77°F), excursions permitted between 15°C and 30°C (between 59°F and 86°F).

Inactive ingredients

emulsifying wax, methylparaben, propylparaben, purified water, tetrafluoroethane
